Preparing students for community, career, college.

### Montello Senior Earns ProStart National Certificate of Achievement

Reiley Lange is Montello's first ever student to receive the ProStart National Certificate of Achievement! ProStart is a career and technical education program that unites the foodservice industry and the classroom to teach high school students culinary skills and restaurant management principles, as well as employability skills such as communication, teamwork, professionalism and time management. The ProStart National Certificate of Achievement is an industry-recognized certificate that signifies a strong foundation in the basic management and culinary skills considered critical to success by industry leaders. To earn the ProStart National Certificate of Achievement, a student must pass the National Restaurant Association's Year 1 and Year 2 exams, and complete 400 hours of mentored work experience. Reiley earned her work experience hours at Kwik Trip in Montello and also accepted a full-time position at Kwik Trip after graduation. Congrats Reiley!

### Fab Lab Grant

Montello School District Career and Technical Department received a \$25,000 dollar grant from FY20 from the Wisconsin Economic Development Corporation (WEDC). We are hoping to highlight the equipment and learning this grant supported in next years newsletters.

**Education at its best.**  
MONTELLO SCHOOL DISTRICT

What is CTE? CTE stands for Career and Technical Education. This includes our following departments: Business Ed, Family and Consumer Ed, Industrial Arts/Tech Ed, Art, and Agriculture Education.

# FFA News

Students in FFA had a busy 4th Quarter with their annual banquet, baby animal farm, and a virtual speaking competition. Cole competed in virtual FFA Sectional Speaking Contest hosted by Mauston FFA Chapter. He competed in Discussion Meet where he was able to discuss topics in agriculture with other FFA members in our section.
